

Arctic Audubon presents
**Nesting Northern Hawk Owls
at Creamer's Refuge**

Monday, December 4 at 7 PM

Carlson Center Pioneer Room

A free program. Everyone is welcome.

A Northern Hawk Owl pair became resident raptors in 2023 when they courted, nested and raised a family at Creamer's Refuge. Friends of Creamers Field program director Melanie Graeff and lifelong photographer Bernard, Bud, Marschner will present a heartwarming chronology of these remarkable Hawk Owls and their activities with magnificent images and informative dialog.
